Volunteer Coordinator

May 7 is DQ night. Need volunteers.

Fall picnic details discussed.

Boys Director

Mt. Penn kids will be evaluating.

All evaluation conflicts will require the player to evaluate "up".

Playing "up" will require the player to evaluate to T1 or nothing unless numbers are needed to fill slots.

Critical that we email all members with the evaluation process.

Girls Director

Thank you to Nicole for working on the coach manual. Decision was made to start "simple" and leave the youth program out for now. Editing coaching objectives according to age.

Youth Coordinator

Both directors discussed that the spring programs are ready to begin the weekend of May 4 and end June 29.

Field Commissioner

Urges coaches to have foresight with conflicts and resolve early.

Possibly repair Pineland Park complex again with cooperation of township and league.

Equipment Coordinator

Gave keys to youth directors so they can unlock goals.

Website Coordinator

A BIG thank you to Milt Scholl for his 5 years of dedicated service to EYSA.

Coaching/Player Development

Discussed the CPD tourney info and CPD training cancellations the last month due to weather issues. June 2 and June 4 will be the Rachel/Drew U20 Camp.

Old Business

New Business

Bryan Minner appoints Andy Kline as the new Website Coordinator. Welcome on board!!

Board had a rather large discussion regarding a “Color Run” as a possible fundraiser. There have been a few around the area and they are well attended as per the newspaper clipping shared with members. Kelly Kline-Carr and Bryan Smith’s wife Nikki will head the committee to move forward with this. EYSA will look to do the Color Run in September possibly coinciding with the EYSA picnic because all/most members will be in attendance on that day.

Next Meeting-May 18, 2014
