## **Program Coordinators:**

U5/U6 James Noel [\[u56\\_coordinator@eysasoccer.com\]](mailto:u56_coordinator@eysasoccer.com)  
U7/U8 Thomas McAuliffe [\[u78\\_coordinator@eysasoccer.com\]](mailto:u78_coordinator@eysasoccer.com)

## **Program Description:**

- A fun developmental program for players U5 through U8
- The program goal is to teach and enhance technical & fundamental soccer skills
- Kids will be divided into two separate age groups – one for U5/U6 & one for U7/U8
- Based on your feedback, we have made some changes from last year's program in order to try and make this more convenient for more families!!
  - The program will run for 7 weeks on **Tuesday's** at 6:00pm and **Saturday's** at 10:00am
  - The spring season will start one week earlier on Saturday, April 29<sup>th</sup> and end on Saturday, June 17<sup>th</sup>
  - Despite these changes, there will be exactly the same number of scheduled practice sessions as last year (13) because there are fewer holidays impacting our schedule.
  - Like previous years, weather cancellations will not be made up.
- There will be no soccer on Memorial Day weekend (5/27). There will also be no soccer the weekend of the Berk's Classic tournament (5/20), co-hosted by our club.
- New location!! *ALL* practice sessions will take place outdoors at The Church at Exeter (*formerly Exeter Bible Church*). As part of this partnership, church members will be offering concessions during spring practices with all proceeds benefiting The Church at Exeter – more details to come.
- The Spring program is a different format from the Fall season – there are no set teams or formal games and the sessions are run in a clinic/camp format
  - The kids will work on skills by participating in fun activities for the first 40 minutes of the session
  - The last 20 minutes will be scrimmages with no set teams – pinnies will be used and teams will be different each week
- *Volunteer coaches will be needed for this program*; please consider being a part of this fun spring soccer experience. Simply indicate your willingness to help during registration or email the applicable coordinator as listed above. Any amount of help is welcome!!
